### Call for Interest Leadership Program 2018/2019

ECEBC Leadership Initiative is an effective tool for increasing leadership and communication skills, increasing community awareness of the critical role ECEs play in providing Early Care and Learning services in their communities, increasing awareness of the ECE profession and enhancing professional identity of ECEs. Additionally, many leaders identified some unexpected benefits to their careers, lives, energy, and commitment to the sector.

Participants will receive Professional Development hours upon completion.

The local Terrace ECEBC Branch is pleased to announce a Sponsorship opportunity for one, individual to participate in the 7<sup>th</sup> ECEBC Cohort Leadership Program 2018/2019
