Initial Project Description (the paragraph that you used to describe your project)

Our project had 2 main focal points. The first was based on National Children's Day. This included The Celebration of Children and what ECE's do in the community and importance of their work and to re-introduce the proclamation that Prince Rupert is a child friendly community. The second part was the Community Early Learning Conference - open to all of the community

Most Significant Change Story

From among all the significant changes you experienced during this leadership project, what was the most significant change of all?
The project became larger scale and we rose to the occasion by working with and recognizing each other's strengths. Divided into tasks and bringing it all together. We feel that the entire project is a great success and are looking forward to continuing all aspects of it. Realized our own leadership qualities and were able to bring that out to all areas of our lives, professionally and personally.

Sharing your Leadership Capacity

At the May 2013 Leadership Institute participants agreed to share their leadership capacity in their communities and beyond. The group agreed to (will be added in) Please share your plans...
