Key project activities and events

Provide a summary of key project activities and events in each of the following 2 time periods.

Include comments about any significant differences between project plans and what actually happened.

March – December 2012

We hosted a Pre-Conference Reception

We put together an information booth re: \$10 a day plan at our local Early Years Fair

- we made the difficult decision not to pursue our plan to do a train ride and retreat due to logistics

January – June 2013

Hosted Raising the Village - Authentic Engagement Workshop and Luncheon

Presented information about \$10 a day plan + ECEBC at the local Trades Fair booth

We had planned to display our Journey and host a reception for the local Images of Learning Display in April but it was postponed

We were also planning to present the \$10 a day plan to our city council

Most Significant Change Story

From among all the significant changes you experienced during this leadership project, what was the most significant change of all?

The most significant change of all was when the project became "ours" because we had been feeling overwhelmed. Turns out it was because they were other peoples' ideas we were trying to pursue. Developing the confidence to stay true to our goals and vision allowed us to truly develop "our" project and 'our' leadership skills.

Sharing your Leadership Capacity

At the May 2013 Leadership Institute participants agreed to share their leadership capacity in their communities and beyond. The group agreed to (will be added in) Please share your plans...
