Appendix A- Workforce Development Supports

The Workforce Development Bursary Fund also provides funding for childcare professionals to remove additional barriers that make continuing with ECE education challenging. Please include these amounts in the Monthly Study Period Budget.

Subsidies granted in this section will be included in the overall award amount of up to \$5,000.

Consideration will be given to costs such as, but not limited to:

- Tutoring
- Transportation
- Evening/ weekend childcare
- Accommodation
- Conference entrance fees
- Professional development

Students living in rural and remote areas, who would not have reasonable access to ECE training or practicum fulfilment may apply for funds to help offset the additional costs of travel and out of town accommodation.

Includes transit passes for travel outside of your home community. For more information on BC's transit systems, zones and fares click [here](#) for Metro Vancouver for areas outside of Metro Vancouver click [here](#).

You may also request mileage subsidies for travel between communities. ECEBC aligns with the 2018 [Canadian Revenue Agency \(CRA\) Automobile](#) allowance rates of \$0.55 per kilometer for travel from your residence to post-secondary institution or practicum.

Accommodation

Students who need to travel to another community for training or to complete a practicum may face a hardship in balancing the cost of commuting and accommodation with the goal of completing studies. Additional consideration will be given to students who require temporary accommodations to complete their studies.

Childcare

The Workforce Development Supports for childcare are for costs outside of the student's regular childcare requirements. The intent is to help cover childcare costs associated with attending evening classes and/or weekend program classes.

Conference and Professional Development

Individuals who may be at risk of losing their ECE certification due to barriers in accessing professional development may apply for funding. Approval will be assessed on a case by case basis.
